45. The following classes of registrants are established:

- (a) full;
- (b) non-practising;
- (c) temporary; and
- (d) student.

Student registration

- 50.1. (1) An applicant may be granted student registration by the registration committee where the applicant
- (a) is enrolled as a student in a naturopathic medicine education program recognized by the board for the purpose of registration and specified in Schedule "A",
 - (b) satisfies the registration committee of the good character of the person consistent with the responsibilities of a registrant and the standards expected of a registrant, including those in the Code of Ethics,
 - (c) has delivered to the registrar
 - (i) a signed application for registration in Form 15,
 - (ii) the applicable fee(s) specified in Schedule "C",
 - (iii) a notarized statement of the applicant's name, date of birth and educational standing,
 - (iv) a statutory declaration in Form 3,
 - (v) a letter, in a form satisfactory to the registration committee, dated within sixty (60) days from the date of the application, from the competent regulatory or licensing authority in each other jurisdiction where the applicant is or was, at any time, registered or licensed for the practice of naturopathic medicine or another health profession
 - (A) certifying that the applicant's entitlement to practice naturopathic medicine or another health profession has not been

cancelled, suspended, limited, restricted, or subject to conditions in that jurisdiction at any time, or, if it has, specifying the particulars of any such cancellation, suspension, limitation, restriction, or conditions, and

(B) certifying that there is no investigation, review, or other proceeding underway in that jurisdiction which could result in the applicant's entitlement to practise naturopathic medicine or another health profession being cancelled, suspended, limited, restricted, or subjected to conditions, or, if there is, specifying particulars of any such investigation, review, or other proceeding, and

(vii) a criminal record report in a form satisfactory to the registration committee for any other jurisdiction in which the applicant has practiced naturopathic medicine or another health profession, and

(d) has complied with all the requirements of the *Criminal Records Review Act*.

(2) A student must be registered under subsection (1) before undertaking a period of practical training involving direct patient care, or before providing services under subsection (3).

(3) A student registrant may only provide services of naturopathic medicine while under the supervision of a full registrant, and the supervising registrant must

(a) provide specific and appropriate instructions to that person for the provision of the service,

(b) be satisfied that

(i) the person is competent to provide the service safely, and

(ii) the service will be provided in accordance with the standards of practice, and

(c) be present in the naturopathic office or facility and available at all times while the service is provided by the student registrant.

Certificate of registration

51. (1) The registrar must issue a certificate in Form 8 to any person who is granted full, temporary, or student registration.

(2) Subject to subsection (4) and to section 50, a certificate of registration or any renewal of such certificate is valid until not later than the following December 31st.

- (3) A registrant's certificate of registration must be displayed in a conspicuous location at the registrant's place of practice.
- (4) A certificate of student registration is valid so long as the student registrant is enrolled as a student in a naturopathic medicine education program recognized by the board for the purpose of registration and specified in Schedule "A".

Limits and conditions on use of titles and terms

52. (1) A full or temporary registrant must not
- (a) use the term "registered" or "licensed" except in conjunction with a title reserved for use by registrants under section 3 of the regulation, or
 - (b) use any term other than "registered" or "licensed" in conjunction with a title reserved for use by registrants under section 3 of the regulation.
- (2) A registrant must not use the term "certified" in association with his or her practise of naturopathic medicine
- (a) except in relation to an aspect of practice described in section 53 (1), and
 - (b) unless a notation of certification in that aspect of practice is entered into the register in relation to the registrant's name under section 53 (2).
- (3) A registrant must not use the term "specializing in" or "specialist" in association with his or her practise of naturopathic medicine
- (a) except in relation to a specialty specified in column 1 of Schedule "D", and
 - (b) unless a notation of that specialty is entered into the register in relation to the registrant's name under section 54.
- (4) A non-practising registrant must not
- (a) use the term "registered" or a title reserved for registrants under section 3 of the regulation, except in conjunction with the term "non-practising",
 - (b) use any term other than "registered" or "non-practising" in conjunction with a title reserved for use by registrants under section 3 of the regulation, or
 - (c) use the term "licensed" or "certified" in association with a description of his or her registration status, unless it is clear from the context that he or she is merely describing his or her former status as a full registrant.

- (5) A temporary registrant must not use the term “registered” or “licensed” or any title reserved for use by registrants under section 3 of the regulation, except in conjunction with the term “temporary”.
- (6) A student registrant must identify themselves as a “naturopathic medical student” registrant, and must not identify themselves as a “naturopath”, “naturopathic physician”, “naturopathic doctor”, “physician”, or “doctor”.

Liability insurance

99. (1) Each full or temporary registrant must obtain and at all times maintain professional liability insurance with a limit of liability not less than \$1,000,000 per occurrence insuring against liability arising from an error, omission or negligent act of the registrant.
- (2) Each full or temporary registrant must obtain and at all times maintain professional liability insurance with a limit of liability not less than \$1,000,000 per occurrence insuring against liability arising from an error, omission or negligent act of any employees, agents, students or volunteers who assist the registrant in the delivery of naturopathic medicine services.

Statutory Declaration

CANADA PROVINCE OF BRITISH COLUMBIA IN THE MATTER OF AN APPLICATION FOR REGISTRATION IN THE COLLEGE OF NATUROPATHIC PHYSICIANS OF BRITISH COLUMBIA

I, _____, of _____ in the city of _____, in the Province of British Columbia do solemnly declare that:

I have not been convicted in Canada or elsewhere of any offence that, if committed by a person registered under the *Health Professions Act*, would constitute unprofessional conduct or conduct unbecoming a person registered under these bylaws except as follows:

1. My past conduct does not demonstrate any pattern of incompetency or untrustworthiness which would make registration contrary to the public interest.
2. I am a person of good character.
3. My entitlement to practise naturopathic medicine has not been limited, restricted or subject to conditions in any jurisdiction at any time except as follows:
4. At the present time, no investigation, review or proceeding is taking place in any jurisdiction which could result in the suspension or cancellation of my authorization to practise naturopathic medicine in that jurisdiction except as follows:
5. I have read the *Health Professions Act* of British Columbia and the regulations and bylaws of the College of Naturopathic Physicians of British Columbia made pursuant to that *Act*.
6. I will practise at all times in compliance with the *Health Professions Act* of British Columbia and the regulations and bylaws of the College of Naturopathic Physicians of British Columbia made pursuant to that *Act*.

AND I make this solemn declaration, conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath.
